Active Adults Field Trip Gangster Tour:

Experience St. Paul in the Roaring 20's & 30's

We begin our trip by touring the Wabasha Street Caves, where our local gangsters loved to hide out. A costumed gangster tour guide will begin our tour through the streets of St. Paul during its roaring hoodlum heydays on an exploration of crooks, crime and corruption. See sites where the infamous lived, socialized, committed crimes and where many were brought to justice. Drive past the Landmark Center where some of the FBI's most notorious criminals were tried, including Ma Baker and her five sons. We stop for lunch at the Tavern on Grand; please choose your meal when registering. We will end our trip with a drive-by through St. Paul's Famous Winter Carnival.
